USING THIS DIRECTORY

This Vision Resource Directory contains information and resources of interest to the general public with eye health and safety problems and concerns. This guide serves as a directory of national and state vision resources, to assist you in seeking comprehensive health care that may include vision benefits, as well as options for free or reduced cost eye exams, eyeglasses and/or surgical eye care.

Additional resources can be found by dialing 2-1-1. Texas 2-1-1 Area Information Centers are local organizations who maintain a list of resources available in your community. They serve as a link between people who need assistance and the organizations that provide resources.

To learn more about Prevent Blindness Texas, visit www.preventblindnesstexas.org or call us toll-free at 1-888-98-SIGHT.

PREVENT BLINDNESS TEXAS AT A GLANCE

The mission of Prevent Blindness Texas is to prevent blindness and preserve sight.

Established as a non-profit, voluntary health agency in 1956 and incorporated in 1965, Prevent Blindness Texas is a 501(c)(3) organization that has been directly responsible for saving the sight and enhancing the quality of vision life for thousands of Texans. Our primary programming provides critical vision care to Texas' most vulnerable citizens via vision screenings, eye health and safety education programs, referrals for eye exams and eyeglasses for the uninsured, and many other services targeting those Texas residents most at risk for possible vision problems.

Focused on providing a continuum of vision care, Prevent Blindness Texas touches the lives of thousands of Texans through our sight-saving programs and services through our network of volunteers and offices located in Dallas, Houston, and San Antonio.

PREVENT BLINDNESS TEXAS VISION RESOURCES

Healthy Eyes Eyeglass Program

1-888-98-SIGHT

www.preventblindnesstexas.org (Vision Programs and Services)

Prevent Blindness America has partnered with OneSight, a Luxottica Group Foundation, dedicated to improving vision through outreach, research and education. The "Healthy Eyes Eyeglass Program" serves as a referral system for those individuals who do not qualify for related social services and provides eyeglasses only to those clients who qualify.

In order to qualify for the program, there are certain eligibility criteria that must be met. To apply for services, download and submit the completed application form along with a copy of your current eye prescription that must be less than one year old. Incomplete applications will not be processed. Please allow 3-6 weeks to process your application.

Sight for Students Program

1-888-98-SIGHT

www.preventblindnesstexas.org (Vision Programs and Services)

"Sight for Students" is VSP's national charity program that provides free eye exams and eyeglasses, when prescribed, to those children who qualify. Prevent Blindness Texas will determine if a child meets the eligibility requirements of the program.

If a child is eligible, Prevent Blindness Texas will issue a "Sight for Students" gift certificate along with a list of VSP doctors in the local area. To apply for services, download and submit the completed application to your nearest Prevent Blindness Texas office. Please allow 2-3 weeks to process your application.

FINANCIAL ASSISTANCE PROGRAMS

NATIONAL

Eye Care America – The Foundation of the American Academy of Ophthalmology

1-800-222-3937

www.eyecareamerica.org

EyeCare America provides eye care to US citizens and legal residents through volunteer ophthalmologists (Eye M.D.s) at no cost to those who qualify. Go to the website or call to find out if you qualify for eye care. EyeCare America facilitates eye care for U.S. citizens or legal residents who are without an Eye M.D. and who do not belong to an HMO or do not have eye care coverage through the Veterans Administration.

Those patients who are age 65 or older and who have not seen an Eye MD in three or more years may be eligible to receive a comprehensive, medical eye exam and up to one year of care at no out-of-pocket cost for any disease diagnosed during the initial exam. Volunteer ophthalmologists will waive co-payments, accepting Medicare and /or other insurance reimbursement as payment in full: patients without insurance receive this care at no charge.

Those patients who are determined to be at increased risk for glaucoma (by age, race and family history) and have not had an eye exam in 12 months or more may be eligible to receive a free glaucoma eye exam if they are uninsured. Those with insurance will be billed for the exam and are responsible for any co-payments. The initiation of treatment is provided, if deemed necessary by the doctor during the exam.

InfantSEE – American Optometric Association

1-888-396-EYES (3937)

www.infantsee.org

InfantSEE®, a public health program, managed by Optometry Cares® - The AOA Foundation, is designed to ensure that eye and vision care becomes an integral part of infant wellness care to improve a child's quality of life. Under this program, AOA optometrists provide a comprehensive eye and vision assessments for infants within the first year of life regardless of a family's income or access to insurance coverage.

Mission Cataract USA

1-800-343-7265

www.missioncataractusa.org/

Coordinated by the Volunteer Eye Surgeon's Association, it is a program that providing free cataract surgery to people of all ages who have no other means to pay. Surgeries are scheduled annually on one day, usually in May.

New Eyes for the Needy

973-376-4903

www.neweyesfortheneedy.org

New Eyes for the Needy provides new prescription eyeglasses to qualifying children and adults in need living in the United States through their eyeglass voucher program. Eligible clients can apply for a voucher through a social service agency or a school nurse. To find out if you qualify, please visit their website or contact them for more information.

Vision USA – American Optometric Association

1-800-766-4466

www.aoa.org/visionusa

Vision USA provides free eye exams to eligible, low-income individuals in the United States. Services are donated by volunteer optometrists who are members of the American Optometric Association and may be limited in some areas. If you are eligible to receive services, you will be matched with a volunteer doctor of optometry who will provide a comprehensive eye exam at no charge. To qualify, applicants must have no private or government insurance, including Medicare or Medicaid; have income below the established level based on household size; have not had an eye exam within the past 24 months; must be a US citizen or legal resident with a social security or legal resident number; and have not received a doctor referral through the VISION USA program in the last two years. You must work with a charitable organization, social worker, case worker, or community health agency to submit an application. Applicants are to provide proof of household income for verification of income level eligibility.

STATEWIDE

Cataract Surgery for the Uninsured

http://www.hosmd.org/UTMB_Cataract_Surgery_Form.pdf

The University of Texas Medical Branch at Galveston's Department of Ophthalmology and Visual Sciences has funding to provide cataract surgery for eligible, uninsured patients through a grant in partnership with St. Vincent's House Clinic in Galveston. The patients may reside in any county and will undergo financial and insurance eligibility screening. Cataract surgery will be performed by UTMB residents under direct faculty supervision, and all pre-op testing, medication, surgical costs, and postoperative care will be provided at no or minimal cost. Pre-op and Post-op care will be provided at St Vincent's Clinic. This program will be active for a limited time only and is restricted to uncomplicated cataracts. To apply, click on the link above to download the application.

Texas Department of Assistive and Rehabilitative Services – Division for Blind Services (DBS) Blindness, Education, Screening, and Treatment Program (BEST) Program

1-800-628-5115

<http://www.dars.state.tx.us/dbs/best/index.shtml>

The DARS DBS Blindness Education, Screening, and Treatment (BEST) Program assists adult Texas residents with inadequate health insurance benefits with payment for urgently needed eye-medical treatment. Qualified individuals may include those with diabetic retinopathy, glaucoma, detached retina, or any other eye disease determined to be an urgent medical necessity. The BEST Program is funded with voluntary donations when Texans renew their driver's licenses or Department of Public Safety-issued identification cards. Demand for this program typically exceeds available funding. During periods when funding is unavailable, DARS will establish and maintain a waiting list. When new funds become available, approved applicants on the waiting list will be served in order by the referral date. Individuals applying for BEST treatment services must apply through their physician or optometrist. The BEST Program welcomes and encourages participation in this important program to protect the eyes of Texas. For questions about the BEST Program, please call 1-800-628-5115 or email questions to DARS.Inquiries@dars.state.tx.us.

Texas School for the Blind and Visually Impaired (TSBVI)

1-800-872-5273

www.tsbvi.edu
